

FOOTBALLERS ACADEMY PHILOSOPHY

Our "goal" is to give every player the technical skills and small sided game opportunities to see how far they can go in terms of individual achievement.

Developing player's soccer skills with the ball almost constantly at their feet, is what makes Footballers Academy truly different. Further, our training sessions are a place where we will discriminate between good play and bad play.

ALWAYS!

FOOTBALLERS CERTIFICATE

Footballers Academy provides an opportunity for players to be judged solely on his/her ability. By passing skill tests, players will be awarded a "Footballers Certificate", and receive a written recommendation for high school, college and pro teams, upon request.

Note: Grading system has two levels: complete and incomplete. Further, wild card of puberty will not prevent a player from passing his or hers skill tests.
